P R O C E E D I N G S

(6:15 p.m.)

MR. COSTELLO: This is the meeting for the Forest Hill and West Branch Projects scoping on August 13, the evening public meeting. And there's no one from the public or agencies that have shown up. We have representatives, you know, from Domtar and their consultants and their attorney's office. And so there's no reason to go into a formal meeting this evening. So we'll just go ahead and close it out.

(The meeting closed at 6:16 pm.)
