

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Mahoning Creek Hydroelectric Company, LLC

Project No. 12555-004

NOTICE OF TELECONFERENCE

(June 4, 2010)

- a. Date and Time of Meeting: Thursday, June 17, 2010 from 9:00 a.m. to 12:00 p.m. EDT.
- b. Place: By copy of this notice, we are inviting all interested parties to attend a teleconference from their locations.
- c. FERC Contact: Kristen Murphy, (202) 502-6236 or kristen.murphy@ferc.gov
- d. Purpose of Meeting: Commission staff will be meeting with the U.S. Army Corps of Engineers, Pittsburg District (Corps), to discuss the proposed Mahoning Creek Hydroelectric Project (P-12555) that would be located at the Corps' Mahoning Creek dam. Discussion topics will include the following: (1) past decisions concerning powerhouse location alternatives; (2) proposed and recommended minimum flows into the stilling basin and related issues with regards to water quality and aquatic habitat; and (3) recreational access.
- e. All local, state, and federal agencies, tribes, and interested parties are hereby invited to listen in on the teleconference. The phone number and passcode to the teleconference will be provided upon a request made by interested parties. Please make that request to Kristen Murphy via email at kristen.murphy@ferc.gov by the close of business on **Monday, June 14, 2010**.

Kimberly D. Bose,
Secretary.
