CERTIFICATION

I hereby certify that, in my opinion, Commission deliberations scheduled for January 17, 2013, concerning non-public investigations and inquiries may properly be closed to public observation. Discussions are likely to involve disclosure of trade secrets or financial information or other privileged or confidential information obtained from a person(s). Discussions also may involve investigative records compiled for law enforcement purposes, or information which if written would be contained in such records, the disclosure of which would interfere with enforcement proceedings. Discussions may involve also information pertaining to the possible initiation of administrative proceedings, the premature disclosure of which could frustrate implementation of proposed agency action. Further, discussions may involve information concerning the agency's participation in a civil action.

The relevant exemptions on which this certification is based are set forth in 5 U.S.C. §§ 552b(c)(4), (7)(A), (9)(B), and (10), and 18 C.F.R. §§375.205(a)(4), (7)(i), (9)(ii), and (10).

DATED: January 10, 2013

Acting General Counsel
