Dear Counsel:

1. On February 19, 2013, you filed a Settlement Agreement (Settlement) in Docket No. OR12-21-000 on behalf of HollyFrontier Refining & Marketing LLC (HollyFrontier) and Osage Pipe Line Company, LLC (Osage) (together the Parties). On February 25, 2013, the Commission's Trial Staff filed comments supporting the Settlement Agreement. On February 26, 2013, HollyFrontier filed comments requesting expeditious certification and Commission approval of the Settlement. No other comments were filed, and reply comments were waived. On February 27, 2013, the Settlement Judge certified the Settlement to the Commission as uncontested.
2. The Commission finds that the Settlement appears to be fair, reasonable, and in the public interest, and it is hereby approved without modification. The Commission grants the Joint Conditional Motion to Dismiss Complaint attached as Attachment A to the Settlement subject to the conditions stated in that motion. Commission approval of the

Settlement does not constitute approval of, or precedent regarding, any principle or issue in this proceeding.

By direction of the Commission.
