

FERC's How-to Guide on the Commission's Open Meetings

Meetings

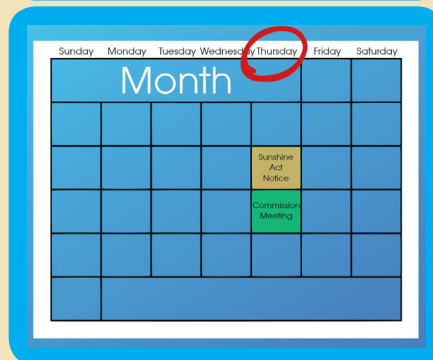

FERC's Chairman runs the public meetings and sets the agenda.

Public Record

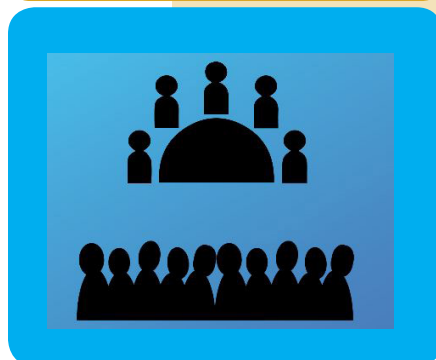

Meetings are for conducting business that, by law, has been publicly noticed.

Public Notice

Meetings generally are on the 3rd Thursday of each month in Washington, D.C.

Observe

Public is welcome to attend, but cannot participate in the meetings.

Live Webcast

View a free live webcast of the meeting and subscribe to alerts via RSS and Twitter.
