3 MR. BROWN: I'm Charles Brown. I'm with the  
4 Federal Energy Regulatory Commission. I'm the Environmental  
5 Project Manager in the Carthage to Perryville Project. Tonight  
6 was open for oral comments that would be recorded with the court  
7 recorder, however no one has signed up on the list to give those  
8 oral comments. So what I'll do is I'll officially open this  
9 meeting and close it so it will be part of the record. And then  
10 we'll open it up for any questions and answers you may have of  
11 me or the company.

12 So let the record show that we are opening and  
13 closing the meeting at 8:15, and we are going to leave the floor  
14 open to any questions or answers you may have of me or the  
15 company.

16 You may go.
