

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Cooper Lake Hydroelectric Project

Project No. P-2170-029

NOTICE OF TELEPHONE CONFERENCE

(February 1, 2007)

Commission staff will hold a telephone conference with representatives of the United States Department of Agriculture, Forest Service, Alaska Region and Alaska Department of Natural Resources, Office of History and Archaeology on Thursday, February 22, 2007, at 10:30 AM (AKST). The purpose of the conference is to discuss comments filed on the programmatic agreement for protecting cultural resources at the Cooper Lake Hydroelectric Project (Project No. 2170-029).

Members of the public and intervenors in the referenced proceeding may participate in this telephone conference. If you plan to participate, please contact Dr. Frank Winchell, Federal Energy Regulatory Commission, at 202-502-6104 by **February 15, 2007**. A telephone number to call will be provided. A summary of the meeting will be placed in the Commission's public file.

Magalie R. Salas
