

SIGN:

For Safe Boating...by
Bouys or Signs

COMMENT:

Placement of safety message at access point (boat launch) increases effectiveness. Durable sign design with contrasting with background increases effectiveness.

RECOMMENDATION:

None.

I-7

SIGN:

Welcome to Fort Dale
Beach These Regulations
are for Your Protection and
Safety...

COMMENT:

Well maintained sign encourages visitor compliance with rules. Positive message and inclusion of party responsible for the site may increase compliance with stated rules. Partitioning of panels separates distinct components of the sign text.

RECOMMENDATION:

None.
