Submitted to the
United States Congress
by the Federal Energy Regulatory Commission

Twenty-seventh Report to Congress on Progress Made in Licensing and Constructing the Alaska Natural Gas Pipeline

February 2019
I. Executive Summary

This report provides an update from the Commission’s Twenty-sixth Report, submitted in August 2018.

II. Status Report

As stated in previous reports, at TransCanada Alaska Company, LLC’s request, the Commission terminated the prefile review process for the Alaska Pipeline Project in Docket No. PF09-11-000. Commission staff has no further progress to report.
