Statement of Commissioner Robert F. Powelson

Date: June 28, 2018

"I will be leaving my position as a Commissioner at the Federal Energy Regulatory Commission mid-August. I express my gratitude to President Trump for nominating me and to the members of the United States Senate who confirmed me. I thank my colleagues for their steadfast commitment to FERC's mission, members of the public who help inform our decisions, and the staff at FERC for their dedication and support throughout my time at the Commission, especially the members of my office. It has been the honor of a lifetime to serve our great nation as a FERC Commissioner. After leaving the Commission I will become the President and CEO of the National Association of Water Companies."
