

Gas Transmission Northwest Corporation

Docket No. RP06-  
Schedule D-2

Methods and Procedures Followed in  
Depreciating, Depleting or Amortizing Plant  
and Recording Abandonment

The company has made no changes in the methods and procedures followed in depreciating, depleting, or amortizing plant and recording abandonments since the last annual report in the FERC Form No. 2 (2005) was filed with the Commission.
