

Gas Transmission Northwest Corporation

Docket No. RP06-407-
45-Day Update Filing
Schedule D-2

Methods and Procedures Followed in
Depreciating, Depleting or Amortizing Plant
and Recording Abandonment

The company has made no changes in the methods and procedures followed in depreciating, depleting, or amortizing plant and recording abandonments since the last annual report in the FERC Form No. 2 (2005) that was filed with the commission.
