Construction = Permanent right-of-way, temporary construction right-of-way, and additional temporary workspace (ATWS).

Operation = Permanently maintained land for pipeline right-of-way or station facilities.

Wetlands data in this table reflects surveys biological surveys conducted through May 2014.

CS = Compressor Station; CY = Contractor Yard; MS = Meter Station.

<sup>a</sup> Impact acreage for the Panhandle-Trunkline Interconnect are accounted for under the Panhandle Project's Tuscola Compressor Station.
