Docket No. AD10-12-011

SUPPLEMENTAL NOTICE OF TECHNICAL CONFERENCE

(April 7, 2020)

As announced in the Notice of Technical Conference issued on February 14, 2020, the Federal Energy Regulatory Commission staff will convene a technical conference on June 23, 24, and 25, 2020 to discuss opportunities for increasing real-time and day-ahead market efficiency and enhancing the resilience of the bulk power system through improved software. The conference will no longer take place at Commission headquarters as stated in the February 14 Notice but instead will take place virtually via WebEx, with remote participation from both presenters and attendees. Further details on remote attendance and participation will be released prior to the conference.

Attendees must still register through the Commission's website by 5:00 PM EST on June 12, 2020.¹ WebEx connections may not be available to those who do not register.

The deadline for speaker nomination submissions has been extended from April 17 to May 1, 2020. Speaker nominations must still be submitted through the Commission's website.²

Staff anticipates facilitating participant questions and discussions of materials presented through WebEx. Details will be released prior to the conference on how such discussions will take place.

There is an "eSubscription" link on the Commission's web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email
