The Senate Committee on Energy and Natural Resources invites you to testify at a hearing on **Wednesday, August 5, 2020, at 10:00 a.m.** in Room 366 of the Dirksen Senate Office Building in Washington DC. The purpose of the hearing is to examine federal and industry efforts to improve cybersecurity for the energy sector, including how to improve collaboration on various cybersecurity and critical infrastructure protection initiatives.

In order to maximize the time available for Members of the Committee to ask questions, please limit the oral summation of your written testimony to a maximum of five minutes. You are welcome to submit a more extensive written statement for inclusion in the official record.

To facilitate preparation by Members for this hearing, an electronic copy of your written testimony must be *emailed* to the Chief Clerk, Darla Ripchensky, at [darla\\_ripchensky@energy.senate.gov](mailto:darla_ripchensky@energy.senate.gov) on **Monday, August 3, 2020, by 10:00 a.m.** We request that you prepare your testimony in the following format: single-spaced with name, title, and agency/organization name printed in the top margin of the first full page of text in an MS Word document.

Thank you in advance for your participation in this hearing. Should you or your staff have any questions about the substantive or procedural aspects of this hearing, please do not hesitate to contact Jake McCurdy and Robert Ivanauskas with my office or Nicole Buell with Ranking Member Manchin's office at (202) 224-4971.
