United States Congress
by the Federal Energy Regulatory Commission

Thirtieth Report to Congress on Progress Made in Licensing
and Constructing the Alaska Natural Gas Pipeline

August 2020
I. Executive Summary

This report provides an update from the Commission’s Twenty-ninth Report, submitted in February 2020.

II. Status Report

As stated in previous reports, at TransCanada Alaska Company, LLC’s request, the Commission terminated the prefile review process for the Alaska Pipeline Project in Docket No. PF09-11-000. Commission staff has no further progress to report.
