Attention: Jennifer L. Key, Esq.
Attorney for American Electric Power Service Corporation

Dear Ms. Key:

1. On February 13, 2020, as amended on February 25, 2020 and March 12, 2020, American Electric Power Service Corporation (AEPSC), on behalf of its affiliates, Ohio Power Company (Ohio Power) and AEP Ohio Transmission Company, Inc. (AEP Ohio), (together with AEPSC, AEP), filed an amended interconnection and local delivery service agreement between AEPSC and Buckeye Power, Inc. (Buckeye ILDSA)¹ and a refund report, pertaining to the Pipe Creek Facilities Agreement, to comply with directives in the Commission's January 17, 2020 order.² In this order, we accept for filing the compliance filing, to be effective January 21, 2020, as requested, subject to the condition that AEP make a further compliance filing, as discussed below.

2. In the January 2020 Order, the Commission accepted for filing the amended Buckeye ILDSA and three facilities agreements, to be effective January 21, 2020, as requested, subject to the condition that AEPSC make compliance filings. As relevant to the instant filing, the Commission directed AEPSC to submit a compliance filing with a

¹ PJM Interconnection, L.L.C., PJM Service Agreements Tariff, PJM SA No. 1336 - ILDSA, PJM SA No. 1336 - Revised ILDSA AEPSC and Buckeye Power (29.1.0). PJM Interconnection, L.L.C. (PJM) filed the agreement on behalf of AEPSC as the agreement is filed as part of the PJM Services Agreement Tariff.

revised Buckeye ILDSA that uses as a baseline for the revisions the version of the Buckeye ILDSA effective at that time, as opposed to the proposed version of the Buckeye ILDSA submitted in Docket No. ER19-2828, et al. In other words, the Commission directed a compliance filing removing the proposed changes that are pending in Docket No. ER19-2828, et al. from the amended Buckeye ILDSA. The Commission also directed AEPSC to submit time-value refunds for monies received prior to the effective date of the Pipe Creek Facilities Agreement and a refund report, or demonstrate that the time-value refunds would result in a loss or that AEPSC did not collect monies under that agreement prior to the effective date.

3. Notice of AEPSC's February 13, 2020 filing was published in the *Federal Register*, 85 Fed. Reg. 9756 (February 20, 2020), with interventions and protests due on or before March 5, 2020. No interventions or protests were submitted.

4. We find that AEPSC's filing complies with the directives in the January 2020 Order. However, one of the changes that was accepted in the January 2020 Order was not included in the amended Buckeye ILDSA submitted on February 13, 2020. Specifically, in the January 2020 Order, the Commission accepted a proposed revision in Attachment 1 in the column "Total Mtg" to change the number "130" to "125" for the Pipe Creek delivery point. However, that revision was not included in the instant filing, and the "Total Mtg" was reverted back to "130." We direct AEPSC to submit a compliance filing to include this revision of changing "130" to "125" as originally proposed in the Buckeye ILDSA or explain why such change is not necessary, within 45 days of the date of this order.³

5. Regarding time-value refunds for the Pipe Creek Facilities Agreement, AEPSC submitted a refund report and states that the time-value calculation results in a refund of the interest on the \$8,000 payment in the amount of \$11.97 in interest, which has been paid.

³ Also in the January 2020 Order, the Commission directed AEPSC to submit a subsequent compliance filing to conform the Buckeye ILDSA accepted in this proceeding to reflect the outcome of Docket No. ER19-2828, et al. within 30 days of the issuance of an order in that docket.

6. We therefore accept for filing the Buckeye ILDSA, to be effective January 21, 2020, as requested, subject to the condition that AEPSC submit a further compliance filing, as discussed above.

By direction of the Commission.

Kimberly D. Bose,
Secretary.
