

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Federal and State Current Issues Collaborative

Docket No. AD24-7-000

NOTICE OF MEETING AND AGENDA

(April 14, 2025)

As first announced in the Commission's February 20, 2025 Notice in the above-captioned docket,¹ the second public meeting of the Federal and State Current Issues Collaborative (Collaborative) will be held on April 30, 2025, from 9:00am–1:00pm EDT, in the Kevin J. McIntyre Commission Meeting Room at the Federal Energy Regulatory Commission in Washington, D.C. Commissioners may attend and participate in this meeting. Attached to this Notice is an agenda for the meeting.

The purpose of this meeting is to discuss generic issues related to gas-electric coordination and gas storage. Commissioners do not intend to discuss at this meeting any specific proceeding before the Commission, including proceedings that involve similar issues. These proceedings include, but are not limited to:

Baltimore Gas and Electric Company v. Columbia Gas Transmission, LLC	Docket No. RP25-740-000
Columbia Gas Transmission, LLC	Docket No. RP20-1060-012
Colt Pipelines (North Texas) L.P.	Docket No. PR25-33-000
PJM Interconnection, L.L.C.	Docket Nos. ER25-785-001 ER25-785-002

The meeting will be open to the public for listening and observing and on the record. There is no fee for attendance and registration is not required. The public may attend in person or via Webcast.² This conference will be transcribed. Transcripts will be available for a fee from Ace Reporting, 202-347-3700.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to
